

Southern Mold, Inc was established in 1979. Jim and Betty Willingham bought it in November of 1985. It has been passed down to their son, James (Ted) Oxendine, who is the current owner and President. Ted started with Southern Mold, Inc in 1982 and has been involved in every aspect of the business since then.

As a company, Southern Mold, Inc has over 100 years experience.

The shop specializes in high diamond polishes, stone finishes, blast finishes, and brush finishes.

Stripping and hard chrome plating are available.

We are insured for on site work and can provide pick up & delivery.

Southern Mold, Inc currently has 12 employees who specialize in high diamond Polish & diecast.

Our polishers are experienced in all phases of polishing and we provide insurance in our place of business or on site at yours.

We provide the shortest turnaround time possible and will pick up and deliver most molds.

Our pricing is competitive and we can quote jobs for you by amount or with a not to exceed price.

If you have any questions, please feel free to contact us by phone or e-mail.

Someone will respond promptly.
